

Contents

1. Acknowledgements.....	05
2. Vegetation and Flora	
a. Introduction.....	08
b. References.....	39
c. Annexure I	
i. List of tree species recorded in KNP with their global status.....	43
ii. List of shrub species recorded in KNP with their global status.....	52
iii. List of scandent species recorded in KNP with their global status.....	56
iv. List of herb species recorded in KNP with their global status.....	59
v. List of aquatic herb species recorded in KNP with their global status.....	66
vi. List of epiphyte species recorded in KNP with their global status.....	68
d. Annexure II: Images of Trees.....	69
e. Annexure III: Images of Shrubs.....	83
f. Annexure IV: Images of Herbs.....	91
g. Annexure V: Images of Scandents.....	103
h. Annexure VI: Images of Epiphytes.....	109
i. Annexure VII: Images of Aquatic Herbs.....	113
3. Birds	
a. Introduction.....	117
b. Annotated Checklist of the Birds of Kaziranga National Park.....	121
c. References.....	179
d. Annexure VIII: Photos of Birds of Kaziranga National Park.....	183
4. Mammals	
a. Introduction.....	192
b. Results	201
c. Discussion.....	209
d. Recommendations.....	212
e. References.....	213
f. Annexure IX: Distribution and natural history of mammals.....	215

g.	Annexure X	
	i.	Images of mammals captured through camera trapping259
	ii.	Images of mammals found in Kaziranga National Park.....270
h.	Annexure XI: Checklist of mammals275
5.	Insects	
	a.	Introduction.....278
	b.	Results and discussions.....285
	c.	References.....288
	d.	Natural History of selected butterflies.....289
	e.	Annexure XII
	i.	Butterflies of Kaziranga.....332
	ii.	Habitatwise distribution of Orthoptera and Mantodea in Kaziranga.....344
	iii.	List of thrips from Kaziranga.....346
	iv.	Checklist of butterflies observed during this study.....350
f.	Annexure XIII: Images of Butterflies355
